SOUTH PROGRESSING

clatized in this class of work for Reports From Southern Railway High School Teachers and Mis-Agents Bear Out Statistics of Government.

> (Special to The Intelligencer.) Washington, April 4.—Reports rom the agents of the agricultural division of Southern Railway company for the calendar year 1915 beer out the government statistics as to agricultural progress in the south and show the accomplishment of substantial results in the work being carried on by the railroad.

agents of the company gave advice as to farm methods to approximately 150,000 farmers. As in former years demonstration work was done on a large number of farms all along the company's lines, the greater part of it with cotton and corn. The reports of the scouts who arrived at 7:45. of lines, the greater part of it with a delicious supper was served and cotton and com. The reports of production on these farms show an average yield of 1,170 pounds of cotton hiked back to town. per acre, compared with averages Misses Bessle and Nannie Wilson of ranging from 591 to 741 peands on similar lands in the same localities week-end in town, the guest of their similar lands in the same localities where the improved methods advised by the agents of the company were not adopted. Reports on corn show an average production of 46.7 bushels per acre on farms where the methods advised were adopted compared with an average yield of less than 22 bushels on similar lands in the same localities.

Advice was given as to crops of all kinds and especially to the growing of legumes and the planting of winter cover crops. Seed selection was eacouraged and many farmers were asristed in breeding improved sceds. The importance of drainage was emphasized and assistance was given fatt, Elizabeth Allen, Ruby Williford, in tile drainage, ditching, and terrac-Lillian Shirley, Leda Poore, Irene

in the South, farmers in all the states and E. T. Breazeale, are turning their attention to more Mrs. Millard Grubs is the guest of and better live stock. The agricultural agents report the location along the lines of the company during the year of 2,713 pure-bred beef cattle, 3,250 dairy cattle and 6,038 cogs. IF BACK HURTS USE

Like Lead or Bladder Bothers.

Most folks forget that the kidney. like the bowels, get sluggish and clog-ged and need a flushing occasionally, else we have backache and dull mis-ery in the kidney region, severe headache, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys

active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive;

makes a delightful effervescent lithiawater drink which everybody should take now and then to keep their kidneys clean, thus avolding serious
